

veterans better and more effectively, and I am very thankful to her for that.

Karen began her career with the VA in 1975 in a clerical position with the finance department. A GS-3 at the time she was hired, Karen is retiring as a GS-13 supervisory veterans service representative, which is evidence of her meritorious work leading to continual promotions throughout her Federal civil service career. In the process, she acquired the knowledge and skill sets for processing all claims for compensation, pension, education, vocational, and rehabilitation. Ms. Goode's thorough understanding of the claims review process, along with her excellent management skills, propelled her into key senior leadership roles that led her to supervising seven different employee teams over her VA career.

Ms. Goode's high degree of professionalism earned her multiple special recognitions. At the recommendation of the veterans service center manager, Karen in 2006 served as the representative for the southern area on a quality assurance detail HELP team in Washington, DC. In 2012, at the completion of a designated special project as quality team coach, Karen obtained Lean Six Sigma Green Belt designation.

Even though Congress writes the laws regarding veterans' benefits, it is up to teams set up within the VA to review veterans' claims and determine if they are eligible for benefits. It can be a complex and lengthy process, which I highly respect. Covering a broad range of benefit categories, I understand the effectiveness in which VA team member groups review and process claims can differ greatly. Despite exercising most of her leadership away from the public eye, Mississippi's veterans are fortunate to have been served by Ms. Karen Goode for so many years working in this capacity. She has been unwavering in her commitment to ensuring that Mississippi's veterans receive the benefits to which they are entitled under the law.

In conclusion, I am incredibly grateful to Ms. Karen Goode for dedicating her career to serving those who have served our country. I commend her for her many accomplishments, and I send her my best wishes for an enjoyable retirement.●

TRIBUTE TO DANA TOTMAN

Mr. KING. Mr. President, today I wish to recognize Dana Totman for his 22 years of service at Avesta Housing and congratulate him on a well-deserved retirement. Under his leadership, Avesta Housing became northern New England's largest housing nonprofit and transformed the lives of individuals and families across Maine. Dana has been a tireless advocate for affordable housing and made it clear how drastically it improves lives and strengthens communities.

While Dana cares about the bricks and mortar that become the homes of many, he cares most about the people

who get to call these places home. It is these individuals who drive his passion. The Maine Affordable Housing Coalition, created by Dana, exemplifies his vision by giving those in need a voice and the ability to advocate for themselves.

During the 2009 recession, Dana found a creative way to increase the supply of affordable homes through the development of a \$50 million bond proposal. Known as the Green Affordable Housing Bond, this allowed low-income Mainers to obtain affordable, energy-efficient homes, and created jobs in the construction, architectural, and engineering sectors. Subsequently, when Maine seniors needed a voice for their growing housing needs, Dana created and promoted the \$15 million Maine Affordable Housing Bond, the effort garnered support from 69 percent of Maine voters—one of the largest margin wins of a State bond initiative.

Throughout his career, Dana navigated through the many obstacles and challenges Avesta Housing faced. His humility and quiet demeanor brought people and organizations together to demonstrate how affordable housing significantly strengthens communities' well-being. His ability to work closely with neighbors, listen to concerns, and understand the whole picture, furthered Avesta Housing's mission of giving everyone, regardless of socioeconomic status, age, or race, a chance to have a home.

Dana was raised on a Topsham dairy farm, and later lived in Brunswick, where he and his wife raised their two sons and were members of the school community as parents. Dana also volunteered to coach soccer and baseball teams, imparting many life lessons to the kids. He continues to mentor young people, inspiring future generations to dedicate their lives to giving back to their communities.

Maine's business community has recognized Dana multiple times over the years for his exceptional leadership and contributions to equitable housing in Maine. It is a privilege to join with his colleagues, friends, and the people of Maine in recognizing Dana for demonstrating innovation, true excellence in his work, and unwavering compassion to those seeking—and finding—a home.●
